在伦敦华丽隐居

# Palatial Privacy

By Jack Smith

亦如皇室设计，这些奢侈建筑在伦敦的中心区域，为您提供了一种隐居式的华贵优雅。

Fit for royalty, these luxurious developments offer secluded elegance not far from London's heartbeat.

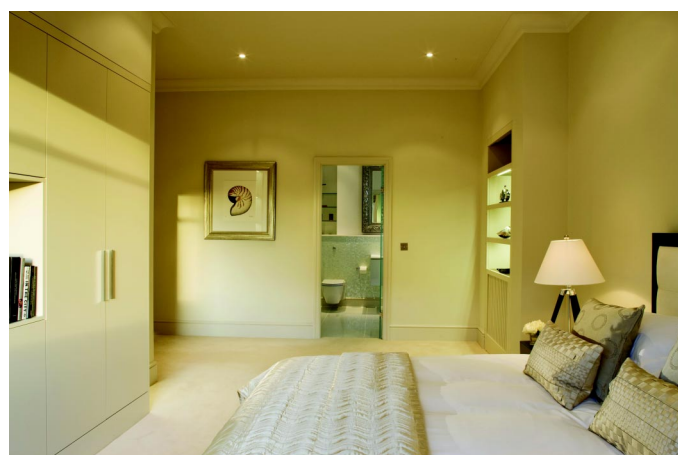

## 3 Queen's Gate Place

位于南肯辛顿的 Queen's Gate 广场三号是一幢炙手可热的精品住宅，它具有典型的伦敦风格，整体被划分为几套单独的公寓——两个复式和三个单层。公寓中既有适合单身男女居住的单卧室典范，也有包含四间卧室的复式来满足一个家庭的需求。维多利亚风格弥漫整个公寓，获奖无数的开发商 Northbeach 努力想要再造英国镀金时代的辉煌感觉，这一点尤其体现在空间的开阔和装饰的华丽。挑高的天花板和典型后维多利亚式的飞檐重新出现在大家面前，内部空间配备现代化的取暖、照明以及音像系统，相当便利。甜美的乳白色和白色提升了室内的亮度，不显压抑，创造出一种温暖而有延伸

感的空间体验。对于那些热衷社交的人士，房间内配备的 Maytag、Miele 和 AEG 品牌电器和厨具们能够方便您冷藏美酒，制作咖啡，同时在短时间内烹调出足以满足一个派对的美食。

负责 Queen's Gate 广场三号的 Northbeach 公司总经理 Adam Blaskey 表示：“我们对于这个项目的翻新和再设计所得到的最后结果非常满意。它将这幢建筑曾经的原始风貌和当下的新技术融合为一。这五套公寓中的每一套，都拥有自己独立的风格，同时又保留了 Northbeach 公司的标志特色——石灰岩壁炉、胡桃木地板、艺术灯具以及意大利厨具和取自于 spa 灵感的浴室。”

Queen's Gate Place is a hotly anticipated boutique development in stylish South Kensington. In typical London style, one property is divided into several apartments - in this case, two duplexes and three laterals. The apartments range from a stunning one-bedroom apartment ideal for the bachelor or bachelorette with everything, to a first-floor four-bedroom duplex perfect for a young family. Victoriana is back with a vengeance, and multi-award-winning developers Northbeach have worked hard to recreate the luster of the Gilded Age in both generous spaces and decorative flourishes. High ceilings and typically late Victorian cornices have been fully restored, now with state of the art heating, lighting and audiovisual systems subtly blended into the interior spaces. Luscious creams and whites add brightness and banish all vestigial claustrophobia, creating warm, expansive spaces. For those with a wide social circle, these properties do the entertaining for you, with top of the range Maytag, Miele and AEG integrated appliances including wine coolers and coffee makers fused into the design concept, and sleek double ovens equipped to feed an army.

Managing Director of Northbeach Adam Blaskey comments, "We are delighted with the end result of our refurbishment and redesign of Queen's Gate Place. It seamlessly

blends the building's period features with contemporary finishes and technology. Each of the five properties has its own individual style while carrying the Northbeach signature interiors - limestone fireplaces, walnut flooring, state of the art lighting and audio visual, Italian kitchens and spa inspired bathrooms."
